

IN THE UNITED STATES DISTRICT COURT

FOR THE NORTHERN DISTRICT OF CALIFORNIA

EDGAR W. TUTTLE, ERIC BRAUN, THE
BRAUN FAMILY TRUST, and WENDY
MEG SIEGEL, on behalf of themselves and
all others similarly situated,

No. C 10-03588 WHA

Plaintiffs,

v.

SKY BELL ASSET MANAGEMENT, LLC,
et al.,

**REMINDER THAT DEADLINE
FOR PLAINTIFFS' MOTION FOR
CLASS CERTIFICATION
REMAINS AUGUST 25, 2011**

Defendants.

_____/

All counsel are reminded that the deadline for filing a motion for class certification remains August 25, 2011, with oppositions due as per the 35-day briefing track. Although a motion for appointment of interim class counsel has been recently filed for hearing in September and plaintiffs' counsel have also submitted their "memoranda of understanding" in response to the order to show cause, those circumstances cannot excuse compliance with the long-standing and specific case deadlines. The deadline for filing the motion for class certification as to the fund defendants and all other defendants continues to be fixed at August 25, failing which no certification will be entertained. Oppositions thereto must also be filed on time. With respect to the pending motions to dismiss regarding jurisdictional and venue issues held in abeyance by prior order by the fund defendants, Eden Rock defendants, and Ernst & Young LLC, the Court now understands that all parties have submitted whatever additional

1 supplements they plan to submit and the Court is now in a position to proceed to decide those
2 issues.
